Parent Help

Coaches / Managers - If you are enthusiastic you're qualified. This role involves rotating the children fairly on and off the field, every team needs a manager, and again your assistance would be greatly appreciated.

The successful operation of the competition and Club depends on the valuable contribution of players' parents & family who perform many important tasks. Please check the website regularly for canteen and ground rosters, it is vital to the smooth running of our competition that all families attend their rostered time slot.

Canteen/BBQ involves **1 occasion** for the entire season. **Ground set up** - please arrive at 4.45pm to set up.

Rosters, team lists and draws will be available at www.yassfc.com.au and will be published on our facebook page each week.
